

Bassorilievi

Arte funeraria

Figure, simboli e decorazioni
per lapidi e monumenti.

Una scelta da condividere.

Scegli il soggetto e annota il codice.

Misure, materiale e finitura si concordano con il marmista.

Scegliere con calma.

Ogni soggetto è identificato da un codice univoco.

Comunica il codice al professionista che seguirà il lavoro.

Le varianti di posa, cornice e orientamento hanno immagini distinte.
